NDC Release Notes

The NDC Release Notes provide the latest updates on NDC and API functionalities and enhancements that can improve your implementation.

October 2026

Please find below the latest news and updates of Lufthansa Group NDC content.

1. ITA Airways Fixed Priced Upgrade activation

The objective of this enhancement is to implement the LHG NDC fixed price upgrade product for ITA Airways.

Display Upgrade Offer for authorized PCCs

Only show upgrade Offer for PCCs that are eligible. ATPCO filing contains the PCC restriction

If the following conditions are true:

- An authorized PCC is handling the booking
- The user requests a Service List after ticket issuance

This will be the result:

- The Upgrade Offers are returned in SPRK/API

Consider restricted SSRs before offering upgrade

Only offer the upgrade in case no restricted SSR and Fare Basis Code (FBC) is associated to the segment(s) and PNR sent in ServiceListRQ

Restricted SSRs :

WCHS, WCHC, MEDA, AOXY, PPOC, POXY, SVAN, BLND, DPNA, DEAF, STCR, MEQT, PETC, PETD,INFT, UMNR, STAF, UPGP, SAUA, GRPF, STAR, CBBG, DEPA, DEPU, ESAN, EXST, FQTR, FQTU, INAD

Restricted FBCs : *TVD* , *PO01* , *ID* , *AD* , *RG* , *GGR* , *TTG*
