DESCRIPTION

As a system provider of business travel solutions for travel agencies, Atlas GmbH offers an online booking engine for serving corporate clients. Our company's business areas include the solution components Atlas Profi Traveller, Atlas Traveller, Atlas Online Agent, Atlas Sync and the Atlas Expense Engine, as well as the development of customized individual solutions. The Atlas Profi Traveller offers companies efficient travel management for easy online booking of flights, hotels, rental cars and train travel while taking company guidelines into account. The relevant travel agency is integrated into the process at the same time. Travel expense accounting is also available, in addition to profile management, interactive travel guidelines and authorization processes. With the Atlas Expense Engine, a web-based travel expense accounting system, trips can be billed easily.
