DESCRIPTION

Atriis.GTP is not just a content aggregator but an End to End Travel Operation Platform, providing Travel operators and especially TMCs the richest travel content from many sources with the ability to apply business rules on the content in order to optimize business results. Atriis facilitates reinventing the TMC models by supporting new revenue streams using standardized and highly automated workflows. Atriis provides, for the first time, to the TMCs and their corporate clients with one shared booking and travel management platform, streamlining the service, content and the corporate travel policy both on traveler and agent interface. OTAs gain high value from working on the Atriis' backend services product, which offers one API for robust multi-channel content, managed and optimized by smart business rules engine and machine learning capabilities. Atriis Technologies Ltd. is IATA NDC Level 3 certified.
