Description

Waavo is a travel technology company providing solutions for travel agencies and tour operators. ☐ Aggregator services – Aggregation of flights, hotels, and dynamic packages, delivered via an Online Booking Engine (OBE) or API-based solution with an integrated back-office system for order management and automation. ☐ Solutions for agencies – OBE, API, and automation tools designed to streamline operations and increase sales when reselling tour operator packages. Flight solutions are also available if the agency partners with an IATA-accredited provider. ☐ Solutions for tour operators – Tools for creating, managing, and distributing travel packages. Founded in 2012, Waavo works with clients worldwide, offering flexibility and adaptability to meet specific business needs. When a travel company is looking for an agile partner to integrate NDC content and digitize its sales process, Waavo is the right choice.
