Description

Nordic NDC is a company in Consit Gruppen. Consit Gruppen is a leading supplier of IT Business Solutions and Consultancy services. Nordic NDC combines the IT Business Solutions expertise of Consit Gruppen with more than 30 years of expert knowledge on travel procurement, travel technology and agency business development. Nordic NDC has created a unique data integration platform called Atlas. Atlas is a SaaS service, that all travel agencies can use, when they want to introduce new Non-GDS products and services. With Atlas, travel agencies can import booking data directly from different front-end tools like SPRK into their current back-office system and increase their internal productivity significantly by eliminating much manual work. Atlas can connect to all travel agency Back-office systems and front-end booking tools. This way travel agencies can increase their number of Non-GDS booking portals according to their customer's growing demand for extra products and services.
