DESCRIPTION

From 1989, Galor is a leading supplier of premium travel technology with a client base of over 600 customers in more than fifteen countries around the globe, including travel agents, OTAs tour operators and airlines. Travel Booster's web-based platform includes comprehensive mid office solution together with Internet Booking Engine (IBE). By fully automating all processes from reservation to invoicing, Travel Booster provides comprehensive travel solutions, allows in-depth control of the company business, and automates working procedures to increase business efficiency. Throughout our 30 years of operations, we have maintained high customer satisfaction with more than 95% customer base retention by helping our customers increase their business efficiency, profitability and client engagement with the best possible travel experience to proactively promote growth. We are dedicated to developing smart and simple, yet sophisticated and comprehensive solutions
