Description

Created in 2005 by two experts of the travel industry, Afidium provides innovating B2B solutions to different types of organizations of all sizes, operating in the tourism sector. These solutions help optimizing revenue, streamline productivity and profitability across 6 European countries. A deep understanding of the travel & tourism sector, combined with a capacity to turn off the shelf solutions into tailor-made tools, account for some of the reasons for working with Afidium's products and services. Afidium provides solutions that connect with multiple air-service providers (GDS, NDC content, ...), as well as search engines and fare optimisation solutions. Afidium is continually innovating and improving its product offering. Afidium's dedication, professionalism and responsiveness has seduced some 50+ clients, now working with Afidium to maximize the ROI of their IT projects.
