

ITA Content available via Lufthansa Group's NDC solutions starting May 2026

As part of the integration of ITA Airways into the Lufthansa Group, ITA content will be available via the Lufthansa Group's NDC solutions starting from the 5th May 2026. This is a further step toward a more unified and future – proof distribution landscape.

The integration of ITA Airways into the Lufthansa Group's NDC solutions (SPRK, Aggregators or NDC Direct API) offers you decisive advantages:

- **Exclusive access** to content and offers from Austrian Airlines, Brussels Airlines, Lufthansa, SWISS, Air Dolomiti, Discover Airlines and ITA Airways
- **Individual services** for tailor – made customer experiences

This will enable you to offer our mutual customers even more personalized offers in the future.

We will provide you with further information on technical details, commercial aspects and timelines in the coming weeks.

Please note: Lufthansa Group is responsible for technical onboarding only. ITA Airways remains commercially and operationally independent.
