## Description

proQuest provides customizable standard products for booking and fulfillment of scheduled flights for consolidators, tour operators and cruise companies. The top 5 German tour operators use airQuest as their flight fulfillment module. Our main product airQuest focusses on automation for ticketing, rebookings, cancellations, payments, invoices and queue-based operations. The "automation studio" module allows the user to set up customized PNR sorters and workflows. airQuest's crew automation automatically books seamen regarding to cruise company's rules. It is able to combine multiple oneways and take approx 50 additional criteria into consideration in order to find the perfect flight schedule for the crew member. Our IBE has been developed by the leading five German consolidators and books flights and ancillaries in a B2B and B2C version. Our so-called "washing machine" optimizes tariffs before and after ticketing. It is able to rebook to different airlines.
