

Your direct benefit: NDC Smart Offer

NDC Partner Program

Inspire your customers with the very attractive offers from Austrian Airlines, Lufthansa, SWISS and Brussels Airlines. You have exclusive access to the NDC Smart Offer – via our direct distribution channels: Lufthansa Group airlines' Direct NDC API, a Lufthansa Group certified NDC aggregator, the free of charge web-based booking tool SPRK, austrian.com, lufthansa.com, swiss.com, brusselsairlines.com and lhgroup-agent.com.

As a partner of the NDC Partner Program you benefit from these advantages anytime:

- the NDC Smart Offer always provides you the most attractive offers for your customers
- better and more customised prices thanks to unlimited price points
- advanced sales with advertising campaigns (longer sales period, more than 3 days)
- exclusive sales with advertising campaigns (shorter sales period, up to 3 days)
- price benefit of 5 Euro when booking additional services via our direct distribution channels
- new additional services such as vouchers for lounge access or Internet access on board can be booked exclusively via the direct distribution channels of the NDC Partner Program
- you can offer travelling families special offers for trips departing from Germany, Austria and Switzerland as well as higher child discounts on published and tour operator fares

* The vouchers can be booked for Economy or Premium Economy passengers, and are currently only available for lounges in Germany (not international lounges). Please note that the availability of respective flight times and the lounge capacity to be expected is dependent on the airport.
